Kernel-Panic Linux User Group

San Diego's Oldest and Largest Linux Group

www.kernel-panic.org

president@kernel-panic.org

Welcome to KPLUG (Kernel-Panic Linux User Group).

You are probably already aware of our event schedule:

- LPSG (Linux Programming Study Group): 6:30-9pm, First Thursday
- Auxiliary ("Bookstore") Installfest: 10am-3pm, First Saturday
- **General Meeting**: 7-9pm, Second Thursday
- **Main Installfest**: 10am-3pm, Saturday following general meeting

Please visit www.kernel-panic.org to confirm dates, and for location details, directions and maps.

Questionnaire

We invite your comments, suggestions, requests, and questions. In particular, we are always looking for meeting presentation topics.

Please give us your input. Any germ of an idea is fine. Multiple ideas, great. You can add your name or email if you wish, but it's not required.

You may also email suggestions to the president's address, above.

Presentation level wanted: __ beginner __ intermediate __ advanced

Topics of interest: __ install __ finding apps __ programming __ web development

__ config __ using apps __ security __ shell (command line)

__ other:
